To: Members and CNCPs

Dear Members and CNCPs,

Re: Follow-up on 085-2017 “Draft Terms of Reference for the SPRFMO Performance Review”

In response to communication 085-2017, comments on the Draft Terms of Reference for the SPRFMO Performance Review were received from three SPRFMO Members. Based on those, the European Union has produced a first revision of the Draft Terms of Reference for the SPRFMO Performance Review (Word documents attached to this communication: a “tracked changes” and a clean version). The European Union has indicated that the intended virtual discussion group could not be established due to a lack of participants.

Members and CNCPs are invited to provide their comments (if any) to Revision 1 of the Draft Terms of Reference for the SPRFMO Performance Review to luis.molledo@ec.europa.eu, seppo.nurmi@ec.europa.eu and secretariat@sprfmo.int by 30 October 2017.

It is the intention of the European Union to produce a second revision by mid-November, and it is anticipated that this will be the final version.

Your contributions towards this important inter-sessional work are greatly appreciated.

Sincerely yours,

Johanne Fischer
Executive Secretary
