

ANNEX 1

RELEVANT INFORMATION

For years Ecuador showed the interest about its participation in the Trachurus Murphyi fishery regulated by the South Pacific Regional Fisheries Organisation. Since 2015, Ecuador began as a Member with an established quota of 1.100 TM, which was transferred to Chile, once the period ended, Ecuador will have its quota again.

As a Member, Ecuador designated their ports, that will be available to realized any operations of the fishing activities. These ports are Guayaquil and Manta.

Finally, Ecuador also provides to the Organisation the Point of contact that will be:
