The Commission accepted the FAC's recommendation to make the following amendment to Decision 1.02: paragraph 3(f):

"a statement of intent to make voluntary financial contributions commensurate with what would be assessed should it become a Member, pursuant to the scheme of contributions established by the Commission in accordance with Article 15(2) of the Convention and particularly in accordance with paragraph 4.7 of the Financial Regulations of the Commission".

The Commission also accepted the FAC's recommendation to make the following amendment to the Financial Regulations of the Commission: paragraph 4.2 (bis):

"Voluntary contributions offered by non- members may be accepted, subject to agreement by the Commission that the purposes of the contribution are consistent with the policies, aims and activities of the Commission."

The Commission noted that any voluntary contributions received in this way would not form part of the funding of the ordinary budget.
