

DRAFT OF LANDING STANDARDS
Proposed by Chile

1. Refeer Vessels

Port Authority

- a. Name of observer.
- b. Authority.
- c. Address.
- d. Telephone/Fax.
- e. E-mail.
- f. Commencement date.
- g. Completion date.
- h. Commencement time.
- i. Completion time.
- j. Authentication.

Vessel

- k. Flag state.
- l. Name of vessel.
- m. Radio Call sign.
- n. IMO number/Lloyd number (if allocated).
- o. Registration number.
- p. Ship owner identification.
- q. Master identification.
- r. Identification of Nautical Agency.
- s. VMS (yes/no).

General Information on the landing

- t. Name of port.
- u. City port.
- v. Previous destination port.
- w. Next destination port.
- x. Departure date.
- y. Arrival date.
- z. Landing date.

Landing description split by species

- aa. Name of species.
- bb. Type of product (e.g whole, frozen, fillet, etc.).
- cc. Net weight by type of product.
- dd. Description of types of cartons.

Description of retained catch on board split by species

- ee. Name of species.

- ff. Type of product (e.g whole, frozen, fillet, etc.).
- gg. Net weight by type of product.
- hh. Description of types of cartons.

Landing destination

- ii. Identification of addressee.
- jj. In transit: Destination state, transport and departure date.

Transshipment.

- kk. SPRFMO code of transshipment.
- ll. Name of fishing vessels.
- mm. Name of species.
- nn. Products split by species, weight and type.
- oo. Transshipment areas.
- pp. Transshipment authorization.

2. Fishing vessels (referees)

Port Authority

- a. Name of observer.
- b. Authority.
- c. Address.
- d. Telephone/Fax.
- e. E-mail.
- f. Commencement date.
- g. Completion date.
- h. Commencement time.
- i. Completion time.
- j. Authentication.

Vessel

- k. Flag state.
- l. Name of vessel.
- m. Radio call sign.
- n. IMO number/Lloyd number (if allocated)
- o. Registration number.
- p. Ship owner identification.
- q. Master identification.
- r. Fishing gear.

General Information on the landing

- s. Departure port.
- t. Departure date.
- u. Arrival port.

- v. Arrival date.
- w. Landing date.
- x. Name of port.
- y. Port city.

Landings description split by species

- z. Name of species.
- aa. Net landed weight.

Destination landing

- bb. Identification of addressee.

Fishing areas

- cc. Fishing areas

3. Factory vessel

Port authority

- a. Name of observer.
- b. Authority.
- c. Address.
- d. Telephone/Fax.
- e. E-mail.
- f. Commencement date.
- g. Completion date.
- h. Commencement time.
- i. Completion time.
- j. Authentication.

Vessel

- k. Flag state.
- l. Name of vessel.
- m. Radio call sign.
- n. IMO number/Lloyd number (if allocated)
- o. Register.
- p. Ship owner identification.
- q. Master identification.
- r. Fishing gear.

General Information on the landing

- s. Departure port.
- t. Departure date.
- u. Arrival port.

- v. Arrival date.
- w. Landing date.
- x. Name of port.
- y. Port city.

Landing description split by species

- z. Name of species.
- aa. Catch.
- bb. Type of product (HG, frozen, fillet, etc).
- cc. Net weight by type of product.
- dd. Description of types of cartons.

Description of retained catch on board split by species

- ee. Name of species
- ff. Type of product (HG, frozen, fillet, etc)
- gg. net weight by type of product
- hh. description of types of cartons

Landing Destination

- ii. Destination identification
- jj. In transit: Destination state, transport and departure date

Transshipment

- qq. SPRFMO Code of transshipment.
- rr. Name of the fishing vessel.
- ss. Name of species.
- tt. Products split by species, weight and type.
- uu. Transshipment areas.
- vv. Transshipment authorization.

Fishing areas

- ww. Fishing areas.
